

P.A.L.
(Police Athletic League)
Agreement Form

The Police Athletic League (P.A.L.) is a program geared towards the youth in Prince George's County Maryland. Our intention is to focus on programs dealing with both athletic and non athletic concepts. P.A.L. offers the youth of our county a safe nurturing place to learn and interact with others who live outside of their community, with direct supervision of the local police department P.A.L. is a growing program that has sparked interest throughout the area.

Though we are happy to have your participation in the recreational activities that are associated with the Police Athletic League, this is only one aspect of our program. Without the educational component the P.A.L. program would just be another recreational league competing with several other established groups in Prince Georges County Maryland. Therefore every participant in the P.A.L. program must agree to participate in both components of our program.

This agreement is issued to ensure that the participants who sign up for this activity are aware that it is a requirement to attend the non athletic activity associated with the P.A.L. program.

The date and location of the non athletic program will be given to you at a later date.

Please note a players who does not participate in or fails to show for the non athletic activity, will be suspended from further play in the league.
